Interested in competing too?

Cricket's Competing Company invitations will be sent to students that Cricket's staff think would be good candidates for the Competing Companies. Of course, competition is not for everyone, and it does require commitment on the part of both the student and parents for making all rehearsals, performances, competitions & other events, as well as keeping up with technique and knowing choreography. If you are interested in joining but have not received a letter, please ask to speak with Ms Cricket for her recommendations.
