New office—Waiting Area

The office has moved to the 2nd floor- in the ballroom studio.

The old office area is now a waiting area for parents and students. We have a desk area for students that have a break between classes for homework or need to get a bite to eat. Please clean up after yourself, hang your coat on the racks, and leave your street shoes in the waiting area. Please be considerate of others --keeping your things together neatly to allow for others to place their belongings and sit as well.

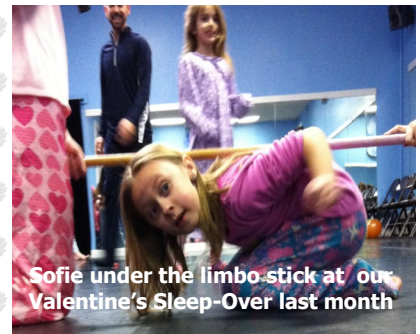

.....**Remember, you still need to remain quiet while in this area so you don't disturb the classes that are in session.**

We will have a open/closed sign at the 2nd floor so you will know if there is someone at the desk.

Ms Barb is in the office until 7pm on Tuesdays and Wednesdays. If you are making payments on either of these days please be sure to do so by 7pm while she is here to avoid pulling a teacher from class to take

your payment. If there is no one in the office to take your payment, we still have the payment box on the 3rd floor located outside the big (blue) room. If you are making a payment, or fitting shoes, please -- **no parents or student permitted inside the new office.**

Thank you for your cooperation!
